A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Corporation’s registrar and transfer agent, **Computershare Investor Services Inc., 100 University Avenue, 9th floor, Toronto, Ontario M5J 2Y1**, at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Corporation who have an interest in the motion and common shares held by their “associates”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

General

The authorized capital of the Corporation currently consists of an unlimited number of common shares without par value and an unlimited number of preferred shares without par value. There were 388,650,689 common shares of the Corporation issued and outstanding as of the close of business on November 9, 2021, each share carrying the right to one vote. There were no preferred shares issued and outstanding as of the close of business on November 9, 2021.

Only Shareholders of record as at the close of business on November 9, 2021 (the “**Record Date**”) who either personally attend the Meeting (see “*COVID-19 Precautions*” below) or who have completed and delivered a form of Proxy in the manner and subject to the provisions described under the heading “Appointment and Revocation of Proxies” shall be entitled to vote, or have their common shares voted, at the Meeting, or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Corporation on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as at the Record Date.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder’s name on the records of the Corporation. Such common shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting**

instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity (see “*COVID-19 Precautions*” below). Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

The Corporation is not relying on the “Notice-and-Access” delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Principal Holders of Voting Shares

To the knowledge of the directors and senior officers of the Corporation, there are no persons or corporations that beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation as of November 9, 2021.

COVID-19 PRECAUTIONS

In light of the ongoing public health concerns related to COVID-19 and in order to comply with physical distancing measures imposed by the federal, provincial and municipal governments and to mitigate risk to the health and safety of our communities, shareholders and employees, the Corporation requests that shareholders not attend the Meeting in person. The Corporation encourages shareholders to instead vote their shares in advance of the Meeting via mail, facsimile or online.

If any shareholder does wish to attend the Meeting in person, please contact the Corporation’s Chief Financial Officer at (604) 664-1078 or info@hiveblockchain.com in order for arrangements to be made that comply with all recommendations, regulations and orders related to the COVID-19 pandemic. The Meeting can accommodate no more than ten people and attendance will be on a first come, first served basis. No shareholder who is experiencing any symptoms of COVID-19, including fever, cough or difficulty breathing will be permitted to attend the Meeting in person. The Corporation may take additional precautionary measures in relation to the Meeting as necessary or advisable in response to further developments related to the COVID-19 pandemic and shall comply with all applicable recommendations, regulations and orders related thereto. In the event it is not possible or advisable to hold the Meeting in person, the Corporation will announce alternative arrangements for the Meeting as promptly as practicable, which may include holding the Meeting entirely by electronic means, telephone or other communication facilities.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation provided to the Corporation’s NEOs is determined and reviewed by the Corporation’s Compensation Committee. In establishing executive compensation policies, the Compensation Committee takes into consideration the recommendations of management and, following discussion and review, reports them to the Corporation’s full Board of Directors for final approval. The members of the Compensation Committee are Frank Holmes and Dave Perrill.

Compensation for the Corporation’s NEOs consists of:

- (a) Base Salary;
- (b) Option Based Awards;
- (c) Awards under the Corporation’s Restricted Share Unit Plan; and

(d) Eligibility to Receive Bonuses in the Form of Cash Payments.

Through its executive compensation practices, the Corporation seeks to provide value to its shareholders. Specifically, the Corporation's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Corporation's success, align the interests of the Corporation's executives and shareholders by motivating executives to increase shareholder value.

Within the context of the overall objectives of the Corporation's compensation practices, the Corporation determined the specific amounts of compensation to be paid to its executives during the year ended March 31, 2021 based on a number of factors, including the performance of the Corporation's executives during the fiscal year, the roles and responsibilities of the Corporation's executives, the Corporation's executives' historical compensation and performance, and any contractual commitments the Corporation has made to its executives regarding compensation.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Corporation's compensation policies result in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Corporation.

Base Salary

The Corporation believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Corporation also believes that attractive base salaries can motivate and reward executives for their overall performance.

To the extent that the Corporation has entered into employment agreements with its executives, the base salaries of such individuals reflect the base salaries that the Corporation negotiated with them. The base salaries that the Corporation negotiated with its executives were based on the individual experience and skills of, and expected contribution from, each executive, the roles and responsibilities of the executive, the base salaries of the Corporation's existing executives and other factors.

Option Based Awards

The Corporation has in effect a stock option plan (the "Option Plan") in order to provide effective incentives to directors, officers, senior management personnel and consultants of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation's Shareholders. In determining option grants to the NEO's, the Compensation Committee together with management takes into consideration factors that include the amount and exercise price of previous option grants, other forms and amounts of compensation, the NEOs experience, level of expertise and responsibilities, and the contributions of each NEO towards the completion of corporate transactions in any given fiscal year.

Under the Option Plan, the maximum number of common shares reserved for issuance pursuant to the exercise of stock options, in combination with all other security-based compensation plans, shall not exceed 10% of the issued common shares of the Corporation from time to time. The Option Plan was adopted by the Board on July 20, 2017 and last approved by Shareholders at the Corporation's previous annual general meeting of the Shareholders held on December 22, 2020. Under the policies of the TSX Venture Exchange, a rolling stock option plan must be re-approved by Shareholders on a yearly basis and as such, the Corporation will be asking Shareholders to re-approve the Option Plan at the Meeting. The significant terms of the Corporation's Option Plan are set out below under the heading "*Particulars of Other Matters to be Acted Upon – Re-Approval of Rolling Stock Option Plan*".

Awards under the Corporation's Restricted Share Unit Plan

The Corporation has in effect a restricted share unit plan (the "RSU Plan") in order to provide effective incentives to directors, officers, senior management personnel and consultants of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly

participate in an increase in per share value created for the Corporation's Shareholders. In determining RSU grants to the Named Executive Officers, the Compensation Committee together with management takes into consideration factors that include the amount of previous RSU grants, other forms and amounts of compensation, the NEOs experience, level of expertise and responsibilities, and the contributions of each NEO towards the completion of corporate transactions in any given fiscal year.

Under the RSU Plan, the maximum number of common shares reserved for issuance is 10,000,000, and in combination with all other security-based compensation plans, shall not exceed 10% the issued common shares of the Corporation from time to time. The RSU Plan was adopted by the Board on October 17, 2018 and last approved by Shareholders at the Corporation's previous annual general meeting of the Shareholders held on December 22, 2020. Under the policies of the TSX Venture Exchange, a restricted share unit plan must be re-approved by Shareholders on a yearly basis and as such, the Corporation will be asking Shareholders to re-approve the RSU Plan at the Meeting. The significant terms of the Corporation's RSU Plan are set out below under the heading "*Particulars of Other Matters to be Acted Upon – Re-Approval of Restricted Share Unit Plan*".

Eligibility to Receive Bonuses in the Form of Cash Payments

The Compensation Committee, together with recommendations from management, awards bonuses based on both individual performance and corporate success at various times throughout the year. At this time, the Corporation does not have any specific milestone criteria for issuing bonuses.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Corporation and none are proposed at this time.

Use of Financial Instruments

The Corporation does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive or director purchasing such an instrument.

SUMMARY COMPENSATION TABLE

In accordance with applicable legislation, the Corporation had two Named Executive Officers during the financial year ended March 31, 2021, namely Darcy Daubaras and Frank Holmes.

The following table sets forth particulars of all compensation paid to the Named Executive Officers during the years ended March 31, 2021, 2020, and 2019, expressed in Canadian dollars.

NEO Name and Principal Position	Financial Year ended March 31	Salary (\$)	Share-based awards (\$)	Option-based awards (\$)	Non-equity incentive plan compensation (\$)		Pension value (\$)	All other compensation (\$)	Total compensation (\$)

	2020	180,000	145,000 ⁽³⁾	137,140 ⁽⁴⁾	100,000	Nil	Nil	Nil	562,140
	2019	90,000	Nil	103,555 ⁽⁵⁾	Nil	Nil	Nil	Nil	193,555

(1) Frank Holmes has served as Interim CEO and Interim Executive Chairman since August 31, 2018. On December 22, 2020, Frank Holmes became the Executive Chairman. Prior to that he served as Non-Executive Chairman since August 23, 2017. Mr. Holmes earns director's fees of \$60,000 per year commencing January 1, 2018 and \$2,000 per Board Meeting attended since August 31, 2018.

(2) Darcy Daubaras has served as CFO since October 1, 2018.

- (3) On February 10, 2020, the Corporation granted 500,000 restricted shares units (“RSUs”) (vesting quarterly over two years) to each of Frank Holmes and Darcy Daubaras. All share-based awards for the year ended March 31, 2020 reflect a dollar amount of RSUs that were granted to each NEO on February 10, 2020. Fair value of the RSUs was calculated using the closing price of the Corporation’s common shares on the TSX Venture Exchange on the trading day before the grant of February 7, 2020, which was \$0.29. These values do not represent actual amounts received by the NEOs as the value will depend on the market value of the shares on the date that the RSUs vest. None of these RSUs vested in the year ended March 31, 2020.
- (4) On February 10, 2020, the Corporation granted 500,000 options (vesting quarterly over two years) to each of Frank Holmes and Darcy Daubaras exercisable at a price of \$0.29 per share until February 10, 2030. A “grant date fair value” has been attributed to these non-cash option-based awards. The value of these options has been determined using the Black-Scholes model. The Corporation chose this methodology because it is recognized as the most common methodology used for valuing options and doing value comparisons. These values do not represent actual amounts received by the NEOs as the gain, if any, will depend on the market value of the shares on the date that the option is exercised. The Black-Scholes assumptions used by the Corporation were: i) annualized volatility: 120%; ii) expected life: 6.00 years; iii) risk-free interest rate: 1.32%; and iv) dividend yield: 0%; this is consistent with the accounting values used in the Corporation’s financial statements.
- (5) On December 21, 2018, the Corporation granted 500,000 options (with certain vesting provisions) to Darcy Daubaras, exercisable at a price of \$0.27 per share until December 21, 2028. A “grant date fair value” has been attributed to these non-cash option-based awards. The value of these options has been determined using the Black-Scholes model. The Corporation chose this methodology because it is recognized as the most common methodology used for valuing options and doing value comparisons. These values do not represent actual amounts received by the NEOs as the gain, if any, will depend on the market value of the shares on the date that the option is exercised. The Black-Scholes assumptions used by the Corporation were: i) annualized volatility: 104%; ii) expected life: 2.7 years; iii) risk-free interest rate: 2.00%; and iv) dividend yield: 0%; this is consistent with the accounting values used in the Corporation’s financial statements.

- (1) The value of unexercised in-the-money Options is calculated by multiplying the difference between the closing price of the Corporation’s common shares on the TSX Venture Exchange on March 31, 2021, which was \$4.91, and the Option exercise price, by the number of outstanding options (both vested and unvested).
- (2) Market value of the RSUs was calculated by multiplying the number of unvested RSUs, respectively, by the market value of the underlying shares on March 31, 2021, which was \$4.91.
- (3) This table sets forth all RSUs that have been granted to each NEO and are outstanding as at March 31, 2021.

“**BE IT RESOLVED THAT** the Corporation’s Restricted Share Unit Plan be and is hereby ratified, confirmed and approved, together with any amendments or additional provisions as the directors of the Corporation may deem necessary or advisable, provided that such amendments are not inconsistent with the policies of the TSX Venture Exchange.”

The Board recommends that Shareholders vote FOR the re-approval of the RSU Plan.

Summary of the RSU Plan

Set out below is a summary of the RSU Plan. This summary is qualified in its entirety by the full text of the RSU Plan, a copy of which will be made available to Shareholders at the Meeting.

Eligibility

RSUs may be granted to any employee, director or consultant of the Corporation or its subsidiaries (collectively, “**Eligible Persons**”), other than persons conducting investor relations activities, from time to time by the Board, subject to the limitations set forth in the RSU Plan, but may not be granted when that grant would be prohibited by or in breach of applicable laws or any black out period then in effect.

Authority of the Board

The RSU Plan is administered by the Board or a committee thereof. Subject to the limitations of the RSU Plan, without limiting the generality of the foregoing, the Board has the power to: (i) determine which Eligible Persons (defined above) are to be granted RSUs and the number of RSUs to be issued to those Eligible Persons; (ii) determine the terms under which RSUs are granted; (iii) prescribe the form of agreement governing a particular grant of RSUs (the “**RSU Agreement**”); (iv) interpret the RSU Plan and determine all questions arising out of the RSU Plan and any RSUs granted pursuant to the RSU Plan; and (v) prescribe, amend and rescind rules and procedures relating to the RSU Plan.

Shares Reserved

The maximum number of Shares which may be reserved for issuance under the RSU Plan at any time is 10,000,000 Shares, subject to adjustment by the Board in the event of a change in the capital of the Corporation, and in

combination with all share compensation arrangements of the Corporation, including the RSU Plan and the Option Plan, will not exceed 10% of the issued and outstanding Common Shares.

Limits on Participation

The RSU Plan provides for the following limits on grants, unless approval by Disinterested Shareholders in accordance with the rules of the TSXV is obtained:

- the maximum number of Shares reserved for issuance to insiders under the RSU Plan, together with any other share compensation arrangement, may not exceed 10% of the issued and outstanding Shares;
- the maximum number of RSUs that may be granted to insiders under the RSU Plan, together with any other share compensation arrangement of the Corporation, within a twelve month period, may not exceed 10% of the issued and outstanding Shares calculated on the grant date; and
- the maximum number of RSUs that may be granted to any one Eligible Person under the RSU Plan, together with any other share compensation arrangement of the Corporation, within a twelve-month period, may not exceed 5% of the issued and outstanding Shares calculated on the grant date.

For so long as the Corporation is subject to the requirements of the TSXV (unless permitted otherwise by the rules of the TSXV): (i) the maximum number of RSUs that may be granted to a consultant, together with any other share compensation arrangement of the Corporation, within a twelve-month period, may not exceed 2% of the issued and outstanding Common Shares calculated on the grant date.

Grants and Vesting of RSUs

The Board may in its own discretion, at any time, and from time to time, grant RSUs to Eligible Persons as it determines appropriate, subject to the limitations set out in the RSU Plan. The Board may designate one or more performance periods under the RSU Plan. In respect of each designated performance period and subject to the terms of the RSU Plan, the Board may from time to time establish the grant date and grant to any Eligible Person one or more RSUs as the Board deems appropriate.

At the time a grant of a RSU is made, the Board may, in its sole discretion, establish such performance conditions for the vesting of RSUs as may be specified in the RSU Agreement (the “**Performance Conditions**”). The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any Performance Conditions. The Board may determine that a RSU shall vest in whole or in part upon achievement of any one Performance Condition or that two or more Performance Conditions must be achieved prior to the vesting of a RSU. Performance Conditions may differ for Restricted Share Units granted to any one Eligible Person to whom RSUs have been granted (a “**Participant**”) or to different Participants. Notwithstanding any other provision of the RSU Plan, the Board may in its sole and absolute discretion accelerate and/or waive any vesting or other conditions, including Performance Conditions, for all or any RSUs for any Participant at any time and from time to time. In no circumstances will RSUs credited to a Participant in respect of a Performance Period vest after three years following the end of the year of the grant date. Any RSUs in respect of a Performance Period that are not vested within three years following the end of the year of the grant date shall be cancelled and no vesting, payment or issuance shall be made under the RSU Plan in respect of such RSUs.

Third Party Offer

If an offer to purchase all of the outstanding Shares is made by a third party, the Board may, to the extent permitted by applicable law and upon giving each Participant written notice, effect the acceleration of the vesting of the RSUs granted under the RSU Plan.

Change of Control

Upon a Change of Control (as defined in the RSU Plan), all RSUs that are outstanding but unvested will automatically and irrevocably become vested in full.

Delivery of Shares or Cash

RSUs shall vest pursuant to the vesting schedule set out in a Participant's RSU Agreement and, subject to any black out periods then in effect, the Corporation shall redeem such RSUs only at the end of the Performance Period pertaining to the RSUs and issue from treasury one Share for each full RSU that has vested without any further action on the part of the Participant. The Shares issued upon redemption of RSUs shall be registered according to the information in the Corporation's records for a Participant. No partial RSUs may be issued. Notwithstanding the foregoing, at the sole election of the Corporation, the Corporation may redeem all or part of the vested RSUs by making a lump sum payment at the end of the performance period pertaining to the RSUs in respect of all RSUs to be redeemed at such time, equal to the amount determined by multiplying the number of RSUs credited to the Participant that are vested on such vesting date by the closing price of the Shares for the most recent trading day preceding the vesting date.

Tax and Tax Withholding

The Corporation shall require such Participant to pay or cause to be paid to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions in connection with the exercise of such RSUs (the "**Source Deductions**"); or in the event a Participant does not pay or cause to be paid the amount specified, then the Corporation shall be permitted to: (a) engage a broker or other agent on behalf of the Participant or Permitted Assign (as defined in the RSU Plan), at the risk and expense of the Participant, to sell a portion of the underlying Shares issued on the exercise of such RSU through the facilities of the TSXV, and to apply the proceeds received on the sale of such underlying Shares as necessary so as to ensure that the Corporation is in compliance with the applicable Source Deductions relating to the exercise of such RSUs, or (b) reduce the number of Shares to be issued to a Participant in respect of redeemed RSUs in an amount that is equal in value to the cash amount of the Source Deductions and pay the Source Deductions in cash as necessary. In addition, the Corporation shall be entitled to withhold from any amount payable to a Participant, such amount as may be necessary so as to ensure that the Corporation is in compliance with the applicable Source Deductions relating to the exercise of any RSU.

Termination of Employment

Unless otherwise determined by the Board in its sole discretion, or as specified in the applicable RSU agreement:

- upon the voluntary resignation or the termination for cause of a Participant, all of the Participant's RSUs which have been credited to the Participant but remain unvested will be forfeited without any entitlement to such Participant; and
- upon the termination without cause, the disability or the death of a Participant, the Participant or the Participant's beneficiary, as the case may be, shall for each grant of RSUs, have a number of RSUs become vested equal to a prescribed formula as set out in the RSU Plan.

No Compensation for Cancelled RSUs Awards

A Participant ceases to be an Eligible Person on the Participant's last day of actual and active employment with the Corporation or one of its subsidiaries. For the purposes of the RSU Plan, no period of notice of termination of employment that is or ought to have been given to a Participant, after the date on which the Participant ceases to be an Eligible Person shall be included in determining the Participant's entitlement under the RSU Plan.

Non-Transferability of RSUs

RSUs are non-assignable and non-transferable except by will or by the laws of descent and distribution. All benefits and rights granted under the RSU Plan may only be exercised by the Participant.

Amendments to the RSU Plan

Amendments Without Shareholder Approval

Subject to applicable laws and regulatory approvals, the RSU Plan may be amended without Shareholder approval for the following:

- minor changes of a “house-keeping nature”;
- amending RSUs under the RSU Plan, including, with respect to advancing the date on which any RSU may vest, assignability and the effect of termination of a Participant, provided that such amendment does not adversely alter or impair any RSU previously granted to a Participant without the consent of such Participant;
- amendments necessary to comply with the provisions of applicable law or the applicable rules of the stock exchange on which the Shares are then listed, including with respect to the treatment of RSUs granted under the RSU Plan;
- amendments respecting the administration of the RSU Plan;
- amendments necessary to suspend or terminate the RSU Plan, provided that such amendment does not adversely alter or impair any RSU previously granted to a Participant without the consent of such Participant; and
- any other amendment not requiring shareholder approval under applicable law or the applicable rules of the stock exchange on which the Shares are then listed.

Amendments Requiring Shareholder Approval

Shareholder approval is required for the following amendments to the RSU Plan (provided that such shareholder approval is a requirement of the stock exchange where the Common Shares are listed for trading):

- the eligibility of a Participant in the RSU Plan;
- removing or exceeding the limits on participation in the RSU Plan;
- increasing the maximum number of Shares issuable under the RSU Plan;
- the expiry and termination provisions applicable to the RSUs; and
- granting additional powers to the Board to amend the RSU Plan without Shareholder approval.

Termination

The Board may terminate the RSU Plan at any time in its absolute discretion. If the RSU Plan is so terminated, no further RSUs will be granted, but the RSUs then outstanding will continue in full force and effect in accordance with the provisions of the RSU Plan.

Adjustments

The RSU Plan contains provisions for the adjustment in the number of Shares subject to the RSU Plan and issuable on redemption of RSUs in the event of a share consolidation, subdivision, substitution or reclassification, the payment of stock dividends by the Corporation (other than dividends in the ordinary course) or other relevant changes in the capital of the Corporation or from a proposed merger, amalgamation or other corporate arrangement or reorganization involving the exchange or replacement of Shares for those of another corporation.

It is the intention of the Company’s board of directors (the “Board”) that through the involvement of the Audit Committee, the external audit will be conducted independently of the Company’s management to ensure that the independent auditors serve the interests of shareholders rather than the interests of management of the Company.  - (c) management representatives may be invited to attend all meetings except private sessions with the external auditors.

- (8) The internal auditors and the external auditors shall have a direct line of communication to the Audit Committee through its chair and may bypass management if deemed necessary. ITEM 2. DIRECTORSHIPS

The directors of the Corporation are directors of the following other reporting issuers:

The Board oversees ongoing education for all directors.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Corporation’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit

of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 5. NOMINATION OF DIRECTORS

The Board is responsible for identifying individuals qualified to become new Board members and recommending to management new director nominees for the next annual meeting of the shareholders. The Board shall recruit and consider candidates for directors, including any candidates recommended by shareholders, having regard for the background, employment and qualifications of possible candidates.

ITEM 6. COMPENSATION

The Corporation has a Compensation Committee which currently consists of the following members Frank Holmes and Dave Perrill. See above "Item 1" for the independence of these members.

The primary function of the Compensation Committee is to monitor and make recommendations to the Board in respect of the total compensation paid by the Corporation to its senior executives and significant consultants. The Compensation Committee has reviewed and approved the "*Executive Compensation*" section above.

ITEM 7. OTHER BOARD COMMITTEES

The Corporation has a Corporate Governance Committee which currently consists of the following members: Frank Holmes and Ian Mann. See above "Item 1" for the independence of these members.

The Board periodically reviews the competencies, skills and personal qualities of each existing director and the contributions made by each director to the effective operation of the Board and reviews any significant change in the primary occupation of the director.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.
